Will probably call him as a courtesy but obviously not mention numbers. I assume GE knows the timing of tomorrow's announcement?

Subject: GE Update

The Administrator's call with Jeff Immelt went well. Immelt had Mr. Brackett on the line with him, so that outreach may no longer be needed (Bob -- you can decide).

The Administrator did not give them any specific numbers. So any further discussions with GE today should not either.

We are on track for full release tomorrow, as planned.
